**The 1st Label for adventurers!
Becomes the best stop on their trip!**

Hello,

Bivouac off Road opens its website in early 2025, it is the first welcome label for Off road travelers.

Rarely solo travellers, often traveling in groups, a clientele that rides equally well on 2 wheels, 4, 6 and more! who during their adventures need a stopover to recharge their batteries. The Off Road traveler is an inter-season and base-season clientele. So why is this deprived of the opportunity to promote your establishment during these periods.

Bivouac off road aims to connect and facilitate contact between accommodation providers able to accommodate this type of clientele and travelers keen to find a suitable place for a stopover for themselves and their vehicle.

Our concept is simple:

an annual subscription (€170 including tax per year 2025 launch offer) which includes:

- online costs (establishment profile, store locator, publication etc.)
- communication on social networks
- marketing, communication and network development.
- Annual labeling support for your establishment.
- For your part, you participate with a gift voucher for the value of one night for two people with breakfast to be used in your establishment which will be won on the social networks of
- **Bivouac off road** . in the form of a competition with sharing the publication.
- (You alone will choose the dates and conditions of use with the winner.)
- A great way to showcase your establishment to the Offroad community.
- (motorcycles, 4x4, truck, van etc...)
- Take part in the special discount offer for members carrying the **"Bivouac off road"** card, 10% discount for holders of the currently valid card.
